'We are called to be a welcoming caring faith community who bring people to Jesus who sends us out with Good News for all'.

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPEL by John Byrne OSA. *The Intercom*

1. The image of a boat in a stormy sea is a symbol of life in difficult times and is an image of the inner turmoil, anxiety and high emotions we then experience. Has your faith in the presence of the risen Jesus been a help to you?' Recall the memory and give thanks.

2. The image can also be applied to a family, a community, a parish, or any other group. Perhaps a 'Jesus- person' in the group came to your assistance and calmed you down?' Remember people who have had a gift of bringing you peace in troubled situations.

3. The significance of miracles in the gospels is that they show Jesus as one who brings God's power to bear on human need and suffering. Have there been times when you have been a channel for this healing power of God, holding a crying child in your arms, calming the anxiety of a friend, or being a peacemaker in a group to which you belong?

THOUGHT FOR THE DAY
(www.catholicexchange.com)

Christ the Friend James: He was in our boat. He was with us when we encountered a storm. He came to our rescue when we had nowhere else to turn...

How often I remembered this experience in the years that followed. It always spoke to me so powerfully —and it always made such an impression on people who were hearing about the Lord for the first time!

It was an image for me of the life of every Christian. Christ is always with each one of us, and he has the power to protect us from every evil, to bring us safely through the most trying of times.
